**CONSTRUCTION:**  
Wood profiles, connected in segments

**LAYER:**  
High quality polietilen UV stabilized film

**VENTILATION:**  
One or two-wing doors and windows

- SPECIFICS:**
- For organic gardening
  - Simple assembly and disassembly
  - Simple changing and recycling of segments
  - Simple ventilation
  - Excellent stability
  - Excellent heat storage
  - Extension of the growing season of crops

**NOTE:** Technical dates are on last page
